

BLUES SONG EVALUATION

Listen carefully to the recording of your piece. Consider the statements below ticking the ones that you think apply to you.

LEARNING THE BLUES PATTERNS:

1	I found both the blues scale and the chords difficult to learn	
2	I practiced hard to learn both the chords and the blues scale	
3	I found the blues scale easy to learn, but had to practice the chords	
4	I found the blues scale and chords easy to learn	

COMPOSITION:

1	Our piece tries to use the blues scale and chord pattern, but sounds odd.	
2	Our piece uses the blues scale and chord pattern, but has a few 'odd' bits	
3	Our piece uses the blues scale and chord pattern well, with a couple of 'odd' bits	
4	Our piece uses the blues scale and chord pattern effectively	

PERFORMANCE:

1	Our performance went wrong and we had to keep stopping	
2	Our performance was OK, but we made a few mistakes	
3	Our performance was good but it was a little fast	
4	Our performance was effective – it really sounds like a blues song!	

Now write down ONE thing that you could do to improve your performance skills for next time:
