

Publishing Companies

- ★ A publishing company works on behalf of the composer/songwriter, licensing the use of their compositions/songs

Task: “IMAGINE”

Imagine you are a composer or songwriter. You have a contract (deal) with a publishing company. What tasks would you wish the publishing company carried out for

Publishing Company Responsibilities

Task: Comparisons

Previously you learnt about Record Labels. Describe the main differences between a Record label (recording company) and a publishing company.

Task: "Controversy"

As a composer/songwriter, you have been told by a friend that "signing a contract with a publishing company is the best way to progress your career." You are going to present an argument, considering the advantages of different options, and decide if you agree or disagree with this statement.
