

Ukulele Blues (12 Bar Blues)

Begin on Blue

Progress to Purple

Push to Pink

| | | | |
|---------|---------|---------|---------|
| 1 2 3 4 | 1 2 3 4 | 1 2 3 4 | 1 2 3 4 |
| 1 2 3 4 | 1 2 3 4 | 1 2 3 4 | 1 2 3 4 |
| 1 2 3 4 | 1 2 3 4 | 1 2 3 4 | 1 2 3 4 |

C Major

F Major

G Major

Play the first chord in each bar. If you can do this, move on to playing chords on the first *and* second beats of each bar.

Play the correct colour chord on the first 3 beats of each bar. When you can do this, try playing chords on *all four* beats of each bar.

Play the correct chords fluently, without having a gap between chord changes, then improvise a rhythm to play the chords to.
